

Galvanized Portable Drum Fan

The Galvanized Drum Fan from J&D Manufacturing is powerful and portable. With sturdy wheels, carrying handles and cord wrap, this fan is ready to roll anywhere you need to move a high volume of air. Drum Fans have heavy duty G90 galvanized steel construction with black powder coated fan guards that meet OSHA requirements. Each fan ships fully assembled with a cord so it's ready to go right out of the box.

Features

- Heavy duty G90 galvanized steel housing
- Rubber feet for reduced noise and stable operation
- Balanced high output fan blade for excellent performance
- Ships completely assembled and ready for use
- Poly handles for easy moving or carrying
